

## **180 Watt Convection Cooled Switcher**

Richardson, TX – March 25, 2009 -- DongAh Elecomm has announced the PSU-180 Series of Switching Power Supplies offering 180 Watts of Convection Cooled Power in the Industry Standard 3.2" x 5" U-Frame Package.

The PSU-180 Series features Universal AC Input with Active Power Factor Correction; Single, Dual and Triple Output models with output voltages ranging from 3.3~48 VDC; and a 0~50°C Full Load Operating Temperature Range with Convection Cooling. The supplies offer extreme reliability with MTBFs in excess of 1 Million Hours per Mil Std 217 and are backed by a 2 year warranty. All models are safety approved to UL60950-1, bear the CE Mark (LVD) and have been qualified to meet Class B Emissions. DongAh Elecomm offers modifications of its power platforms with no NRE, ensuring you get "The Power You Need" for your specific application. Contact our applications team to discuss your specific requirement.

PSU-180 Specifications can be downloaded at <http://dongahusa.com/pdf/PSU-180.pdf>. Evaluation units available for immediate delivery with pricing is as low as \$49 in 500 piece quantities. Contact DongAh at [sales@dongahusa.com](mailto:sales@dongahusa.com) / (888) 878-7331 for US Sales and Technical support.
